When and Where to File

You should file in the Northern District if you were convicted and sentenced in one of these counties: Alameda, Contra Costa, Del Norte, Humboldt, Lake, Marin, Mendocino, Monterey, Napa, San Benito, Santa Clara, Santa Cruz, San Francisco, San Mateo and Sonoma. You should also file in this district if you are challenging the manner in which your sentence is being executed, such as loss of good time credits, and you are confined in one of these counties. Habeas L.R. 2254-3(a).

If you are challenging your conviction or sentence and you were not convicted and sentenced in one of the above-named fifteen counties, your petition will likely be transferred to the United States District Court for the district in which the state court that convicted and sentenced you is located. If you are challenging the execution of your sentence and you are not in prison in one of these counties, your petition will likely be transferred to the district court for the district that includes the institution where you are confined. Habeas L.R. 2254-3(b).

Who to Name as Respondent

You must name the person in whose actual custody you are. This usually means the Warden or jailor. Do not name the State of California, a city, a county or the superior court of the county in which you are imprisoned or by whom you were convicted and sentenced. These are not proper respondents.

If you are not presently in custody pursuant to the state judgment against which you seek relief but may be subject to such custody in the future (e.g., detainers), you must name the person in whose custody you are now and the Attorney General of the state in which the judgment you seek to attack was entered.

Petitioner in Pro-se

**UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA**

Irvin Tatum
Petitioner,

vs.

Robert Horel
Respondent.

No.: _____

**PETITION FOR A WRIT
OF HABEAS CORPUS**

**I.
Introduction**

1. Petitioner, Irvin Tatum, a state prisoner representing himself in pro se hereby submit this petition for a writ of habeas corpus to challenge a violation of his constitutional rights to Due Process, guaranteed under the Fourteenth Amendment under the United States Constitution when prison officials at Pelican Bay State Prison unlawfully charged and found Petitioner guilty at a prison disciplinary hearing, for an offense that he did not commit and ordered to be placed in solitary confinement for 26 months. This petition is not submitted to contest his prison conviction or sentence imposed by a state court.

II.
Jurisdiction

2. This court has jurisdiction over the claims raised herein pursuant to 28 U.S.C. section 2254.

III.
Parties

3. Petitioner, Irvin Tatum is a state prisoner housed at Pelican Bay State Prison at all times mentioned herein, based on a criminal conviction in a state court.

4. Respondent, Robert Horel is the correctional warden at Pelican Bay State Prison at all times mentioned herein and the custodian of Petitioner.

IV.
Statement of Facts

5. On March 1, 2007, Petitioner had a “fist-fight” with his cellmate, E. Johnson, CDC #T-43903, and no weapons were involved.

6. Petitioner was defending himself from being sexually assaulted, which is why the fight occurred. And during the incident Petitioner began flashing the cells lights on and off in the attempt to get staff’s attention for help, which correctional officer, N. Cope seen and activated his personal alarm, (See N. Copes report as Exhibit-A).

7. Petitioner and inmate Johnson were separated and Petitioner was placed in Administrative Segregation (Ad-Seg.) and inmate Johnson was taken to the medical clinic.

8. Petitioner was later falsely accused and charged with “Attempted Murder” by correctional lieutenant, C. A. Uptergrove, who did not witness the incident, but came to the scene after the fact (See C. A. Uptergroves’ report as Exhibit-B).

9. In C. A. Uptergroves written report she clearly wrote, "Based on my experience, training and injuries, it is obvious that Tatum (Petitioner) battered inmate Johnson..." Her report clearly contradicts the allegations of "Attempted Murder."

10. On August 30, 2007, Petitioner went to his prison disciplinary hearing for the false charges of "Attempted Murder." Said hearing was overseen by Correctional Lieutenant D. James, who found Petitioner guilty for the charge of "Attempted Murder" despite the fact that there was not evidence to support such a charge (See D. James report as Exhibit-C).

11. Petitioner was denied a fair and impartial disciplinary hearing because he was deprived of evidence that was used against him. Said evidence was the letters that prison officials contend that Petitioner wrote to his family, concerning the incident.

12. Petitioner requested to be provided with copies of all evidence that prison officials intended to use against him at his prison disciplinary hearing and he was denied the right to be provided with copies of all documents and reports related to the incident, in violation of section 3320 of the California Code of Regulation, Title 15 and the Fourteenth Amendment to the U.S. Constitution.

13. No prison disciplinary hearing shall be held until Petitioner was provided with all non-confidential documents and reports to be relied upon at his hearing, pursuant to section 3320. The only documents and reports Petitioner was provided with before his hearing was held was the "Crime-Incident Report" attached hereto as Exhibit-D. Prison officials made references to letters that they contended Petitioner wrote, but did not provide said letters to him before his hearing was held.

14. There was insufficient evidence to support finding Petitioner guilty of "Attempted Murder." The reporting officer clearly documented in her report that Petitioner allegedly

“battered” inmate Johnson, not “Attempted Murder” (See Exhibit-B). Correctional Officer, N. Cope wrote in his report that Petitioner was flashing his cell lights and yelling, which was clear evidence that Petitioner was seeking for staff’s help, which clearly contradicts D. James’ report of what Petitioners intentions were in respects to his altercation with inmate Johnson.

15. Based on Petitioner being falsely charged with and found guilty of the unsupported allegations of “Attempted Murder”, he was ordered to serve a 26 month term in solitary confinement, where he is currently being housed and prison officials have threatened to keep Petitioner housed in solitary confinement “indefinitely” after he completes his 26 month term.

16. Petitioner is being unlawfully restrained and confined in solitary confinement based on false allegations and being denied a fair disciplinary hearing.

17. Petitioner has raised and exhausted the issues herein in the Superior Court of Del Norte County, Case #HCPB08-5043; the California Court of Appeals, First Appellate District, Division Four, Case #A121232; and the California Supreme Court, Case #S163584 and was denied relief in said courts (See Court Orders as Exhibit-E).

Argument

A. Prison Officials Withheld Critical Evidence From Petitioner, Thus Denying Him A Fair Disciplinary Hearing.

Petitioner was not provided with copies of the letters that prison officials contended that he wrote and were used as evidence against him to support their findings of fact.

According to the Due Process Clause of the Fourteenth Amendment to the United States Constitution, the Respondent had a legal duty to provide Petitioner with all non-confidential documents, reports, and evidence to be used against Petitioner or relied upon to base a finding of guilt at his disciplinary hearing. The Respondents failed to do so, thus depriving Petitioner the

right to contest any allegations in said letters or be used as exculpatory evidence or in mitigation of the charge offense.

Pursuant to Section 3320(c)(1) of the CCR Title 15, it clearly states: “A disciplinary hearing shall not be held until the inmate has been provided a copy of the CDC Form 115 and all non-confidential reports to be relied upon in the hearing.

Argument

B. Petitioner Was Denied A Fair Hearing Based On Insufficient Evidence To Support The Charges Of “Attempted Murder.”

Pursuant to the “Due Process Clause” of the Fourteenth Amendment to the United States Constitution, Petitioner has a right to be afforded a fair and impartial disciplinary hearing and the charges and findings of fact must be supported by a preponderance of evidence, based on the “Same Evidence” standard.

The preponderance of evidence to support a charge of “Battery” clearly out-weighted a false charge of “Attempted Murder” which is evidence in the report wrote by C. A. Uptergrove (Exhibit-B) and based on the medical report of inmate Johnson’s attached hereto as Exhibit-F and the witness report of Correctional Officer N. Cope (Exhibit-A).

The Respondent's submitted all evidence in this case to the Del Norte County District Attorney’s Office in the attempt to have Petitioner charged with the allegations of “Attempted Murder.” And on September 6, 2007, the district attorney disregarded the “Attempted Murder” allegations and chose to charge Petitioner with “Battery With Seriously Bodily Injury” and on March 3, 2008 said charges were dismissed (See copy of Memorandums as Exhibit-G).

The Del Norte County, District Attorney’s Officer came to the conclusion that there was no evidence to support the charge of “Attempted Murder” or “Battery” based on the facts of the incident, which is why they dismissed Petitioners case.

Conclusion

Because Petitioner is classified as a "Jail-house Lawyer" by prison officials and has filed numerous complaints against prison policies and staff, as soon as an opportunity arose that involved Petitioner, prison officials used the opportunity to abuse their power, discretion and authority to retaliate against Petitioner by charging Petitioner with an offense that is not supported by the facts of the incident. It is highly improbable and unusual for an inmate to be charged and found guilty for "Attempted Murder" based on a "fist-fight" with no weapons involved.

**V.
Prayer For Relief**

Petitioner declares under the penalty of perjury under the laws of the United States that the "Statement of Facts" incorporated herein is true and correct and Petitioner prays for the following relief:

- a) Grant Petitioners writ;
- b) Order the Respondent's to reduce Petitioner's charges of Attempted Murder;
- c) Order the Respondent's to expunge all allegations of Attempted Murder from Petitioner's prison file;
- d) Order the Respondent's to release Petitioner from solitary confinement and transferred to an alternative prison;
- e) Grant any other relief this Honorable Court deems appropriate.

NARRATIVE:

On 3-1-07 at approximately 2205 hours, while I was assigned as B7 control booth officer, I heard yelling in C section. I looked over to see inmate Tatum, E-20208, cell 227U flashing the cell lights. It looked like he was yelling at someone on the floor but I could not see because of a sheet that covered the bottom half of the cell door. I notified officer J. Quackenbush that he needed to go up to cell 227 and see what was going on. Officer Quackenbush went up to the cell door and ordered Tatum to move to the back of the cell.

CIRCUMSTANCES

On 3-1-2007, at approximately 2205 hrs., I responded to a personal alarm in B7-C-Section. When I arrived I observed staff escorting inmate JOHNSON (T-43903, B7-227L), from the upper tier. I observed cuts and lacerations on both the left and right sides of JOHNSON's head, bruised and swollen areas to both left and right sides of each eye, specifically, active bleeding to the left eye and cheek and lip areas. The upper portion of JOHNSON's T-shirt was splattered with blood. JOHNSON was escorted to the Facility B-Medical Clinic, and was medically evaluated. JOHNSON was escorted to the Correctional Treatment Center where he was transported to Sutter Coast Hospital for further medical evaluation and treatment.

Review of the CDCR-837-C Reports of involved staff, reflect that Facility B7/8-Rover, Officer J. Quackenbush stated that he heard a banging noise coming from what sounded like C-Section. When he arrived at the cell front of B7-227, inmate TATUM (E-20208, B7-227U), was standing at the cell door facing the toilet. Inmate JOHNSON (T-43903, B7-227L), was kneeling on the ground

facing the toilet. TATUM was ordered to the back of the cell. Mechanical restraints (handcuffs) were applied to JOHNSON and he was escorted to the Facility B Clinic. After handcuffs were applied, TATUM was escorted to the Facility B Hobby Shop and placed in Holding Cell #2. TATUM became verbally hostile and uncooperative, refusing to converse with Medical Technical Assistant L. Folsom for medical evaluation. There were no signs of blood on TATUM's body or his clothing. A visual medical evaluation was conducted reflecting no signs or symptoms of injury. TATUM was uncooperative and also refused to exit the holding cell for identification and evidentiary photographs.

Officer Quackenbush processed JOHNSON's bloody T-shirt as evidence and placed it in Evidence Locker #14, located in the Central Services Watch Office. JOHNSON was treated at the Sutter Coast Hospital and rehoused during Second Watch. TATUM was rehoused in Facility B Unit 8 on First Watch and placed in Administrative Segregation #203L, during Second Watch.

Based on my experience, training and the injuries, it is obvious that inmate TATUM battered inmate JOHNSON. Refer to Incident Log #PBP-B07-03-0091, and (4) outgoing letters.

This inmate is not EOP or Crisis Bed. Following current guidelines for mental health assessments, the circumstances of this offense have been carefully evaluated. The Reviewing Supervisor has concluded that a Mental Health Assessment is not required.

Hearing: The hearing was convened on Thursday, August 30, 2007, at approximately 1755 hours, when I introduced myself to TATUM as the Senior Hearing Officer for this disciplinary. TATUM stated he was in good health with normal hearing and vision. TATUM acknowledged that he received copies of the following documents more than 24 hours in advance of the hearing: CDC-115 and Incident report with supplemental reports. These reports as well as the disciplinary charge of ATTEMPTED MURDER were reviewed with TATUM in the hearing. He stated that he understood both and that he was prepared to begin the hearing.

District Attorney: On 03/13/2007, TATUM requested postponement of his hearing pending resolution of possible criminal prosecution. On 07/13/2007, TATUM revoked his request for postponement. TATUM was reminded in the hearing that this has been referred for possible prosecution and he can postpone his hearing pending resolution of prosecution. He was informed that any statements he makes in this hearing could be used against him in a court of law. TATUM stated that he understood, confirmed that he had revoked his postponement request and that he wanted to continue the hearing.

Due Process: The behavior of this inmate was evaluated at the time that the Reviewing Supervisor reviewed this disciplinary report. The Reviewing Supervisor concluded that a mental health assessment was not required. The SHO concurs. There is no compelling need for a mental health assessment based upon the circumstances given in this report. The disciplinary was served on the inmate within 15 days of discovery. However, the hearing has not been held within 30 days of service on the inmate. Per CCR 3320 (f)(1), time constraints have been exceeded and credit forfeiture cannot be assessed.

Staff Assistant: Per the CDC 115-A, TATUM has requested assignment of a Staff Assistant. In the hearing, TATUM stated that he had requested assignment of a Staff Assistant for the following reason: *To find out all the past disciplinary history of inmate JOHNSON.* Staff Assistant will not be assigned as the SHO is satisfied that TATUM speaks sufficient English, is literate enough to understand the disciplinary reports, the issues are not complex and a confidential relationship is not required.

Investigative Employee: Investigative Employee was assigned. IE was reviewed in hearing. TATUM acknowledges receiving and reviewing the completed IE report more than 24 hours in advance of the hearing. In the hearing, TATUM stated that he is not satisfied with the completed report as most all of his questions were judged to be irrelevant to the charge..

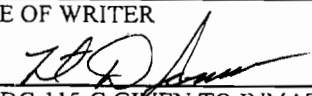

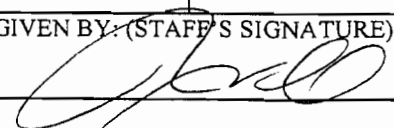

Request for Witnesses: TATUM waived all witnesses and the SHO requested none.

Video and photo evidence: Copies of photographs were used as evidence in this disciplinary hearing. Per the CDC 128B of 06/01/2007, TATUM was allowed to examine these photographs more than 24 hours prior to the hearing. The photos were also available in the hearing. These photos will be filed in the confidential evidence folder in this inmate's Central file where these photos will remain for reference and future use as evidence. On 03/13/2007, TATUM was allowed to view four hand written letters that were used as evidence in this hearing.

Plea: Not Guilty.

Hearing testimony: TATUM gave the following testimony as his defense: "This guy had threatened me on at least four occasions. He wanted me to fight with him. Because he was bigger, he thought he could punk me. I just tried to keep the peace. I found out later that he had been in several cell fights. I had never been in a cell fight in 19 years being down.

Finding: Guilty of the Div. A-1 (1) offense ATTEMPTED MURDER. *Murder* is the deliberate killing of another person with either malice aforethought or reckless indifference. The intent to commit murder rather than battery can be judged by

expressed intent of the inmate or the nature of the attack and the weapon used. If any reasonable person would assume death as the most likely outcome from the nature of the attack or the weapon used, this offense qualifies as *Attempted murder*. *Attempted* means the offense was begun but not completed because of circumstances beyond the control of the inmate. *Attempted* must also include present ability. *Present ability* means the attempt could have succeeded. This finding is based upon the following preponderance of evidence:

A. Lt. Uptergrove testifies that upon responding to an alarm in B7, C Section, she observed inmate JOHNSON being escorted from the upper tier. JOHNSON had cuts and lacerations on both the left and right side of his head, bruised and swollen areas to both eyes, active bleeding from the left eye, cheek and lip areas.

B. The testimony of Correctional Officer J. Quackenbush in the incident report of 03/01/2007, wherein Officer Quackenbush testifies that responding to a banging noise coming from C Section, he heard loud voices and observed a light on and TATUM standing at the front of cell B7-227. TATUM was facing the toilet with his right hand on JOHNSON'S shoulder. JOHNSON was kneeling on the ground facing the toilet. JOHNSON appeared to have multiple injuries to the left side of his face.

C. In TATUM'S letter to "Tresie" TATUM states, "I calmly took my square ass glasses off and knocked that niga "out cold" and when the niga was out, I went to work on his face with my hands and feet until his face was hella bloody." Further on TATUM states "When I was on that niga I started choking him becauz I thought about killin him."

D. In TATUM'S letter to Shaun, TATUM stated " I just snapped and started knocking that niga up side his head until he was knocked out and then I started stompen his face and head into the floor until the police came and scrapped his ass off the floor."

E. By his own writing, it is reasonable to believe that TATUM did not stop his attack on JOHNSON until he heard the section door open. The use of ones feet to "stomp" on the head and face of an unconscious victim is considered to be using deadly force. It is also reasonable to believe that had the officers not responded as quickly as they did, JOHNSON might well be dead at this time.

Disposition: No forfeiture was assessed as time constraints were exceeded. Referred to classification for SHU evaluation. Appeal rights were explained. TATUM was referred to CCR §3084.1 for additional information on appeal procedures.

In these letters, Inmate TATUM, E-20208, B7-227U, describes his attack on Inmate JOHNSON, T-43903, B7-227L and states his thought of killing him. The letters state that TATUM started knocking JOHNSON on the side of his head until he was knocked out. In the letter addressed to Tresie McNell, page #2, TATUM states, "I calmly took my square ass glasses off and knock that niga "out cold". And when the niga was out, I went to work on his face with my hands and feet until his face was hella bloody.

In the letter addressed to Shaun Terell Tatum, TATUM states, "I know he was indirectly talking about me and he must have thought I wasn't pickin up on his indirect bullshit, so I just snapped and started stomping his face and head into the floor until the police came. TATUM also states, "When I was on that niga I started choking him becuz I thought about killin him. That's how angry and "possessed" I felt. But a lil quiet voice in my head said let him go and I did. And he was beggin for his life sayin, "Don't kill me cuz, don't kill me cuz." In the original CDCR 837-A, TATUM refused medical evaluation. In this letter TATUM also states, "I broke my finger on that niga face and my other hand is still kinda swollen, but I can write with it a lit bit."

Correctional Officer, R. Hood will be added to the CDCR 837-B Report.

NARRATIVE:

On, Tuesday, March 06, 2007, and Wednesday, March 07, 2007 at approximately 2130 hours on both days, I was performing my duties as ASU S&E. While processing the outgoing mail on March 6th, I discovered 3 letters written by I/M Tatum (E-20208) ASU C7L. The letters were addressed to, Tresie Mc Nell, Angelique Evans, and Shaun Terrell Tatum. On March 7th, I discovered one letter written by Tatum and addressed to S. James. In these letters, Tatum describes his attack on I/M Johnson (T-43903) and states his thought of killing him.

In the letter addressed to Tresie McNell, page #2, Tatum states, "I calmly took my square ass glasses off and knock that niga "out cold". And when the niga was out, I went to work on his face with my hands and feet until his was hella bloody". Tatum also states on page #2, "When I was on that niga I started choking him becuz I thought about killin him. Thats how angry and "possessed" I felt."

In the letter addressed to Shaun Terrell Tatum, page #1, Tatum states, "I know he was indirectly talking about me and he must have thought I wasn't pickin up on his indirect bullshit. So the next time he did it, I just snapped and started knocking that niga up-side his head until he was knocked out and then I started stomping his face and head into the floor until the police came."

In the letter addressed to Angelique Evans, page #2, Tatum also states, "I guess I surprised his dumb ass when I knocked his bitch-ass out and had him beggin for his life. When I started choking that niga, that niga started sayin, "Don't kill me cuz, don't kill me cuz!"

NARRATIVE:

On Thursday, March 1, 2007, at approx. 2205 hrs., while performing my duties as B Bldg. 7-8 Rover, I was in the officers station when I heard a banging noise coming from what sounded like C section. Control Booth Officer N. Cope advised me the noise was coming from C section. I went in to the C section rotunda and tried to determine where the noise had come from. I heard loud voices from B7-227 and saw the light on and one inmate standing at the door. I walked up to the door and saw inmate Tatum, E-20208, (later identified by his bed card) standing at the cell front, facing the toilet. I looked down by the toilet and saw inmate Johnson, T-43903, (later identified by his bed card) kneeling down on the ground facing the toilet. Johnson's white t-shirt had bloodstains on the left shoulder, and he appeared to have multiple injuries to the left side of his face. Tatum's right hand was on Johnson's right shoulder, and I ordered Tatum to stand at the back of the cell. Tatum complied with my order, and walked to the back of the cell. I then instructed Cope to press his alarm, which he did. I maintained visual contact on both inmates until Sgt. J. Frisk responded to the cell front. He ordered me to open the cuffport, and told Tatum to kneel down on the lower bunk. Tatum complied and Sgt. Frisk ordered Johnson to cuff up. Johnson turned his back towards the cell door, and I handcuffed Johnson. Cope opened the cell door. I grabbed Johnson's right bicep with my left hand and started escorting Johnson down the tier. Officer J. Hoven was walking on Johnson's left side and I was unable to see if Hoven had physical contact with Johnson due to my focus on Johnson and his injuries. Hoven and I escorted Johnson to B clinic, where MTA L. Folsom and RNE Hassman evaluated his condition. MTA L. Folsom determined that we were to take Johnson to the infirmary. Hoven and I instructed Johnson to sit in a wheelchair and escorted him to the

infirmary via the infirmary rover van. Johnson was taken to the ER and was further evaluated by RN E. Hassman and MTA L. Folsom. I removed Johnson's bloody t-shirt and placed a new one on him per medical staff. I then placed Johnson's t-shirt in an evidence bag. RN E. Hassman concluded that Johnson needed to be taken to Sutter Coast Hospital. The ambulance arrived (code 2), and transport staff then escorted Johnson to the ambulance. At approx. 0120 hrs., I placed the evidence bag containing Johnson's bloody shirt in locker #14 in the watch office. This concludes my involvement in this incident.

NARRATIVE:

On Thursday March 1, 2007, I responded to a personal alarm in B7. I entered C section and responded to the upper tier. Correctional Officer (C/O) J. Quackenbush was standing in front of cell 227. Quackenbush informed me that there had been a cell fight. Inmate JOHNSON, T-43903, B7-227L, was standing at the front of the cell. Inmate TATUM, E-20208, B7-227U, was standing at the back of the cell. JOHNSON had large amounts of swelling and blood on his head and face area. I ordered TATUM to face the back wall of the cell. TATUM complied. I ordered Quackenbush to open the cuff port so JOHNSON could be placed in restraints. Quackenbush placed handcuffs on JOHNSON. I ordered TATUM to kneel on the lower bunk and not to move. TATUM complied. I ordered the cell door opened. JOHNSON exited the cell. JOHNSON was escorted out of the unit and to the B Facility Clinic by C/O's Quackenbush and J. Hoven. I ordered the door closed. I ordered TATUM to the front cell. TATUM began to place items in the cell into a laundry bag. I again ordered TATUM to the front of the cell. TATUM put on a blue CDC jacket and came to the front of the cell. I ordered TATUM to turn around and cuff-up. TATUM complied. I opened the cuff port and placed handcuffs on TATUM. I ordered the cell door opened. TATUM exited the cell and was escorted out of the unit, to the B Facility Hobby Shop and placed into cell #2 by C/O's D. Quam and K. Woodward. I opened the cuff port to remove the handcuffs from TATUM where I discovered blood on TATUM'S hands. At that

time I did not remove the handcuffs pending photographs being taken by the security squad. I reported to the B Facility Clinic where JOHNSON was being treated by MTA L. Folsom and RN E. Hassman for injuries to his facial area. A CDC 7219 medical evaluation was completed by MTA Folsom which noted numerous injuries to JOHNSON'S face, neck, and shoulder area. JOHNSON was then taken to the Correctional Treatment Center for further medical attention, and later sent to Sutter Coast Hospital for treatment. At approximately 2330 hours Security Squad Officer D. Beard attempted to take photographs and DNA swabs of TATUM'S hands for evidence. TATUM refused to cooperate with Officer Beard. It was determined that photos and DNA were not essential to the incident package, therefore no evidence was collected on TATUM. MTA Folsom attempted to conduct a 7219 on TATUM. TATUM was uncooperative and refused medical evaluation. At approximately 0215 hours TATUM was rehoused in B8-232L without further incident. TATUM will be on CTQ status pending bed availability in Administrative Segregation.

NARRATIVE

On Thursday, March 1st, 2007 at approximately 2205, I Officer J. Hoven responded to an audible alarm in B7 section C. When I arrived Sergeant J. Frisk asked me to help Officer J. Quackenbush escort Inmate Johnson, T-43903 (B7-227L) to B Clinic for medical evaluation. Johnson appeared to have multiple injuries and blood on his face. At this time Medical Technical Assistant L. Folsom and Registered Nurse E. Hassman evaluated Johnson. MTA Folsom then requested that Johnson be escorted by wheel chair to the infirmary, Johnson was evaluated by RN Hassman in the Emergency Room and concluded that Johnson would need additional treatment at Sutter Coast Hospital. Johnson was transported by ambulance (code 2) off of institution grounds.

NARRATIVE:

On 3-01-07 at approximately 2205 hours, while conducting my duties as the B 3-4 Rover, I responded to a personal alarm on Bravo Facility, Seven Block, C-Section. I responded to cell 227, where I observed inmate JOHNSON, T-43903, B-7 227L, standing at the front of the cell. Correctional Officer (C/O) J. Quackenbush applied handcuffs to Inmate JOHNSON. Inmate Johnson appeared to have blood on his face. Inmate JOHNSON exited the cell, the cell door was then closed. Inmate JOHNSON was escorted out of the section, by (C/O) J. Quackenbush and (C/O) J. Hoven. I observed Correctional Sergeant J. Frisk apply handcuffs to Inmate TATUM E-20208, B-7 227U. Inmate JOHNSON exited the cell. (C/O) K. Woodward and I escorted TATUM out of the housing unit to the B Facility hobby shop, where we placed him in holding cell #2. Sergeant Frisk opened the cuff port to remove the handcuffs from TATUM. I observed blood on inmate TATUM's hands. At that time the handcuffs were not removed pending pictures being taken the security squad.

NARRATIVE:

On Thursday, March 01, 2007 at approximately 2230 hours, I was contacted at my residence and informed an incident had occurred and to report to the institution.

Upon arriving at the Institution I proceeded to Facility B, Unit 7, and at approximately 2250 hours, secured cell 227 with a Security Squad Crime Scene Lock. I conducted a visual survey of the cell, noting blood on the floor adjacent to the lower bunk. At approximately 2300 hours I proceeded to the Correctional Treatment Center and photographed inmate JOHNSON T-43903 for identification and evidentiary purposes. I photographed JOHNSON's face and head noting a large amount of swelling around his eyes, lips and nose. I proceeded to Facility B, Hobby Shop area where inmate TATUM E-20208 was secured in a holding cell. TATUM was uncooperative and refused to exit the holding cell for identification and evidentiary photographs. Due to TATUM'S potentially assaultive behavior no photographs were taken. At approximately 2330 hrs I returned to the Security Squad Complex.

SUPERIOR COURT OF THE STATE OF CALIFORNIA
FOR THE COUNTY OF DEL NORTE

<p>IN RE:</p> <p><i>IRVIN TATUM,</i> <i>E-20208,</i></p> <p style="text-align: center;">Petitioner,</p> <p>On Habeas Corpus.</p>	<p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p> <p>)</p>	<p>CASE NO.: HCPB08-5043</p> <p>ORDER DENYING PETITION FOR WRIT OF HABEAS CORPUS</p>
---	---	---

Petitioner is an inmate at Pelican Bay State Prison serving a life term for first-degree murder among other offenses. His petition challenges a finding of guilty in a disciplinary proceeding for attempted murder of his cellmate on March 1, 2007. Petitioner claims there was no evidence of intent to kill and that he was deprived of due process because he alleges he was not provided copies of letters with incriminating statements that he wrote shortly after the incident. There is disputed evidence as to whether he was provided the letters before the hearing. However, it is undisputed that he received prior to the hearing the CDCR 837crime/incident report authored by Lt. Uptergrove that quoted at length from the two letters in issue. See Pet. Para. 6 and Ex. E. Every statement in those letters quoted by the Senior Hearing Officer in his decision was set forth in the Uptergrove report supplied to Petitioner well before the hearing. See SHO decision, Ex. F to petition.

1 Even if Petitioner was not given copies of the letters, which is disputed by Sgt.
2 Stewart, Petitioner was provided the relevant quotes and he has not shown any
3 actual prejudice was suffered.

4 The Court notes Petitioner claimed he was unable to provide copies of the
5 letters in question with his administrative appeal (dated September 11, 2007)
6 preceding this petition, because he had not been given them (See Exhibit I to
7 petition). But he did file copies of the letters with the Court four days earlier on
8 September 7, 2007, with another writ petition challenging a conviction for threats to
9 correctional officers alleged to have been made in those same letters. See Ex B to
10 petition in Del Norte Superior Court Case No. HCPB07-5157. Petitioner repeatedly
11 admitted writing the letters in that petition.

12 With regard to the hearing officer's decision the Court applies the "some
13 evidence" standard to review. See *In re Powell*, (1988) 45 Cal.3d 894, 904; *In re*
14 *Ramirez*, (2001) 94 Cal.App.4th 549, 563. Under the "some evidence" standard, the
15 hearing officer's decision will be upheld as long as there is "some basis" in fact for
16 the decision. *Powell*, *supra*, at 904; *Ramirez*, *supra*, at 563. The record shows that
17 Petitioner's cellmate was badly beaten and Petitioner made admissions that he
18 knocked his the victim out, then choked him and stomped his head into the floor
19 while entertaining thoughts of killing him. The hearing officer's finding that
20 Petitioner was guilty of attempted murder is supported by some evidence in the
21 record. Accordingly, the Petition for writ of habeas corpus is denied.
